

Final Project for SW Engineering CSC648/848 Spring 2024

Team 02

Olympic Quest College Search

Project Coordinator - Shriya Dandin (sdandin@sfsu.edu)

Front-End Lead / System Administrator / Back-End / Database Administrator / Github - Victoria Bialorucki (vbialorucki@mail.sfsu.edu)

Back-End - Sam Zandiasadabadi (szandiasadabadi@sfsu.edu)

Front-End - Erika Chan (echan10@mail.sfsu.edu)

Github Admin / Back-End Lead - Jake Klopukh (jklopukh@sfsu.edu)

Database Engineer - Subodh Khadka (skhadka@sfsu.edu)

5/14/2024

2) Product Summary

- **Name of Product:**
 - Olympic Quest College Search
- **All Major Functionality:**
 - Search and filter by name, state, and sport.
 - Rate a college and see a college's average rating.
 - Contact via websockets so users can converse.
 - Register an account as either a student or staff member.
 - Search results use Google Maps API.
 - Search results display additional information about each college.
 - The site admin can manage college, student, and staff data.
- **Unique Features:**
 - In addition to the functionality above, we are using websockets for real-time messaging rather than webmail.
 - Search automatically sorts rated colleges from highest to lowest.
 - A user can find the average rating for all the colleges; they can also see various details about a particular college.
 - A student or admin user can display their rating for a college.
 - A student or admin user can also favorite a college with the favorite button. This stores their favorited college in the database.
 - On Safari browser only, a user can use speech-to-text on any of the filtered options for a college search.
- **URL to Website:** <http://3.144.86.46/>
- **Executive Summary:**

Imagine a software product that addresses the need of finding a college that provides not only education, but also a sports team and/or program that would help students that dream of becoming an Olympian/Paralympian. Our application, Olympic Quest College Search, provides exactly that. As our team comprises former student-athletes, we understand the challenges of searching for which college would be best to fulfill both academics and sports. As Olympic Quest College Search is user-friendly, it is the go-to platform for not only students, but staff as well. By investing in our application, you are contributing to the success of student-athletes that may become great Olympians/Paralympians in the future.

4.) Product Screenshots

★ **The Home Page:** Click our website to proceed to the Olympic Quest College Search

The screenshot shows a web browser window with the title "Team About Page". The URL bar displays "52.2.194.93". The main content area features the text:
**Software Engineering Class SFSU
Spring 2024
Section 02
Team 2**
Below this is a blue button labeled "Our Website". To the left, there is a vertical list of team members in blue boxes:
Shriya Dandin
Omar Ahmed
Subodh Khadka
Victoria Bialorucki
Sam Zandiasadabadi
Jake Klopukh
Erika Chan
On the right side of the page, there is a large, stylized graphic of the five Olympic rings.

★ Sample search for colleges by specifically searching for colleges using the ‘Name’ tag:

Screenshot of the Olympic Quest College Search website interface.

The browser title bar shows "Olympic Quest College Search". The address bar shows "52.2.194.93/html/website_html/webpage.html". The page header includes the text "SFSU Software Engineering Project CSC 648-848, Spring 2024. For Demonstration Only" and a "Login" button with a user icon.

The main navigation menu includes "Search Colleges", "Athletic Plan", and "About Us".

A search bar at the top features a dropdown labeled "Filter By: Name" and a search input field containing "san francisco state university". A magnifying glass icon is to the right of the search input field.

A "Return to Profiles Page" link is located above a graphic of the five Olympic rings.

★ Result of the search using the ‘Name’ filter:

Screenshot of the Olympic Quest College Search website showing the search results for "San Francisco State University".

The page title is "Olympic Quest College Search" with the Olympic rings logo.

Navigation menu: Search Colleges, Athletic Plan, About Us.

Search bar: Filter By: Name (selected), Search... (text input field), and a magnifying glass icon.

Result card for San Francisco State University:

- Name:** San Francisco State University
- Image:** A photograph of the university's modern glass building with students walking in front.
- Rating:** Five red stars.
- Olympic Rings:** A graphic of the five interlocking Olympic rings.
- Link:** 52.2.194.93/html/website_html/college_results.html?name=San Francisco State University
- Return Link:** [◀ Return to Profiles Page](#)

★ Sample search for colleges by searching for colleges located within a U.S. state using the 'State' filter:

Screenshot of the Olympic Quest College Search website interface.

The browser address bar shows: Olympic Quest College Search X + 52.2.194.93/html/website_html/webpage.html

The page header includes: SFSU Software Engineering Project CSC 648-848, Spring 2024. For Demonstration Only, a yellow cat icon with sunglasses labeled "Login", and navigation links for Search Colleges, Athletic Plan, and About Us.

The main search area features a "Filter By" dropdown set to "State" with a "massachusetts" input field and a magnifying glass search button.

A "Return to Profiles Page" link is visible above a large graphic of the five Olympic rings.

★ Results of the search using the 'State' filter:

Screenshot of the Olympic Quest College Search website.

The page title is "Olympic Quest College Search" with the Olympic rings logo.

Navigation menu: Search Colleges, Athletic Plan, About Us.

Filter By: State dropdown, Search bar, and a magnifying glass icon.

Results:

- University of Massachusetts Amherst**: A large red brick building with a yellow entrance. It has five red stars above it. To the right of the results, there is a graphic of the five Olympic rings.
- Harvard University**: A smaller image showing a building with a blue sky background. It has five red stars above it.

[◀ Return to Profiles Page](#)

★ Sample Search for Colleges by searching for Olympic sports existing and offered by colleges using the 'Sport' filter:

Screenshot of the Olympic Quest College Search website interface.

The browser title bar shows "Olympic Quest College Search". The page header includes the site name "Olympic Quest College Search" with the Olympic rings logo, a "Login" button with a user icon, and a navigation bar with "Search Colleges", "Athletic Plan", and "About Us".

The main search area features a "Filter By" dropdown set to "Sport" and a search input field containing "rowing". A blue search button with a magnifying glass icon is positioned to the right of the input field.

A "Return to Profiles Page" link is located above the Olympic rings graphic.

The Olympic rings logo is displayed prominently on the right side of the page.

★ Results of the search using the 'Sport' filter:

Screenshot of a web browser showing the results of a search for 'Sport' on the 'Olympic Quest College Search' website.

The browser title bar shows: Olympic Quest College Search +

The address bar shows: 52.2.194.93/html/website_html/webpage.html

The page header includes: SFSU Software Engineering Project CSC 648-848, Spring 2024. For Demonstration Only, a yellow circular logo with a stylized figure, and a Login link.

The main navigation menu has links: Search Colleges, Athletic Plan, About Us.

A search bar at the top right includes a dropdown labeled "Filter By: Sport" and a search input field with placeholder "Search...".

The search results section displays two college entries:

- San Francisco State University**: An image of a modern glass building with people walking in front, overlaid with five red stars. To the right is a stylized graphic of the five Olympic rings.
- University of Massachusetts Amherst**: A partially visible image showing students walking on a campus path.

★ Displaying the rating of a sample university:

The screenshot shows a web browser window with the URL 52.2.194.93/html/website_html/college_results.html?name=San%20Francisco%20State%20University. The page title is "San Francisco State University". Below the title is a large image of a modern glass building with people walking in front of it. A purple sign on the building reads "CISCO UNIVERSITY". Below the image are navigation links: Map, Info, Costs, Athletics, Ratings (which is highlighted in blue), and Contact. A callout box with a light blue border contains the following text:

Ratings

Average College Rating:
★★★★★

Your Rating:

Please login as a student or register for a new account under login to view your rating.

★ The login page that all student-athletes, staff members, and the admin use to access their profiles:

The screenshot shows a web browser window with the following details:

- Title Bar:** Shows the title "Login" and the URL "52.2.194.93/html/website_html/login_user_account.html".
- Header:** Displays the text "SFSU Software Engineering Project CSC 648-848, Spring 2024. For Demonstration Only".
- Logo:** Features the Olympic rings icon.
- Page Content:** The main heading is "Olympic Quest College Search" followed by the Olympic rings logo. Below this are navigation links: "Search Colleges", "Athletic Plan", and "About Us".
- User Login Form:** A central form titled "User Login" contains fields for "Username" and "Password", each with an input field. Below these is a blue "Login" button. At the bottom of the form is a link "Register for an account".

★ Sample student-athlete profile:

The screenshot shows a web browser window titled "Student Account" with the URL "52.2.194.93/html/website_html/student_account.html?id=1". The page header includes the text "SFSU Software Engineering Project CSC 648-848, Spring 2024. For Demonstration Only". The main navigation menu at the top has links for "Search Colleges", "Athletic Plan", and "About Us". On the right side, there is a user profile section with a yellow cartoon animal icon, the username "bearclaire", and a "Logout" link. Below the navigation, the title "Student Dashboard" is centered. A large rectangular box contains the heading "Your Information" and a list of student details: Your College: San Francisco State University; Student ID: 1; First Name: bear; Last Name: claire; Username: bearclaire; Email: bearclaire@email.com; Olympic Sport: Archery; Olympic Medal: Gold. To the right of this box, a decorative graphic of the five Olympic rings is visible.

8) Team Member Contributions

Re: CSC 648 - Team Member Contributions Today at 11:18 AM

JK

✉ Jake Klopukh <jklopukh@sfsu.edu>
To: ✉ Shriya Raghavendra Dandin; ✉ Sam Zandiasadabadi; ✉ Subodh Khadka;
✉ Omar Elhadi Abdalraheem Ahmed; ✉ Victoria Bialorucki; ✉ Erika Chan ^

My contributions to the project:

- Did the initial setup for the express backend.
- Wrote personas for milestone 2.
- Prioritized use cases in milestone 3.
- Did the demos to the professor for the milestones.
- Created the google analytics account and linked it to our website
- Screenshotted the DB and analytics page for milestone 5
- Password encryption
- Implemented the favorite system backend
- Implemented the admin page functionality on the front and back end

At this time, I've made 51 commits to the main branch.

Re: CSC 648 - Team Member Contributions Today at 11:50 AM

✉ Sam Zandiasadabadi <szandiasadabadi@sfsu.edu>
To: ✉ Jake Klopukh; ✉ Shriya Raghavendra Dandin; ✉ Subodh Khadka;
✉ Omar Elhadi Abdalraheem Ahmed; ✉ Victoria Bialorucki; ✉ Erika Chan ^

My contributions to the project:

- Made a list of functional requirements for the product.
- Made the high-level architecture of our database organization.
- Oversaw and ensured that all entries in the Database are organized and in the right place.
- Made the usability test plan for the product.
- Provided the list of sports we would include for the final product
- Came up with the idea of including and offering Paralympics sports to accommodate for all athletes of all backgrounds.

As reported immediately both to the Team Lead, as well as the class CTO, my first 7 commits to GitHub showed up under my actual name, and not my GitHub username. Since then, the issue has been resolved, and in total, I have made 20 commits.

To: ✉ Shriya Raghavendra Dandin; ✉ Sam Zandiasadabadi; ✉ Jake Klopukh;
✉ Subodh Khadka; ✉ Omar Elhadi Abdalraheem Ahmed; ✉ Victoria Bialorucki ⌂

My contributions to the project:

- Wrote an executive summary for M1, introducing our application
- Copy and Paste 'Product Summary' from M4 to M5
 - Included an executive summary (marketing)
- Help tested frontend and backend
- Wrote for Athletic Plan
- Writing About Us details
- Helped/Assisted with the CSS (centering username, password, and buttons)

At this time, I have made 24 commits to main branch

To: ✉ Subodh Khadka; ✉ Shriya Raghavendra Dandin; ✉ Sam Zandiasadabadi; ✉ Jake Klopukh;
✉ Omar Elhadi Abdalraheem Ahmed; ✉ Erika Chan ⌂

My original role was front-end lead. I have done multiple tasks pertaining to front-end lead as well as back-end, database, and system administration roles.

My Contributions:

Documentation:

- M1, M2, M3, M4, M5: helped with various parts of the documentation setup and details. Helped make sure docs were accurate and correct.

Front-end:

- .html, .css, and .js for index, about_us and athletic_plan with Erika, college_results, login_user_account, register_new_user, staff_account, student_account, and webpage. Worked on admin_account.html, css, .js with Jake.

Back-end:

- app.js for WebSockets and functionality; worked on colleges.js and users.js routes with Jake.

Database:

- Setup the database itself on mysql server.

Configured tables:

- college_ratings, colleges_tables, favorite_college_table, user_messages_ and users_tables and helped Subodh enter data into the database.

System Administration:

- Configured the server with Express.js and Node.js, using PM2 (Process manager for Node.js apps) to keep the website running.
- Configured users on the server.
- Added scripts to automate things on the server.

Number of Submissions:

- Number of submissions made: 591.

Hi Team,

It's been a pleasure working with you all on this project!

As team lead, I was in charge of managing all components of this project and assigning parts of the project to each member.

I oversaw all team members across all milestones to ensure work was being completed in a quality and timely manner.

- Responsible for overseeing all activities within a team.
- Responsible for deciding how to approach tasks and develop a plan to accomplish them.
- Responsible for distributing information to team members and class CEO/CTO
- Responsible for keeping track of and structuring various tasks and documents.
- Responsible for determining the goals that members will work toward.

I worked on each milestone and turned in each milestone to the class CEO/CTO as well.

I have 16 commits on Github.

✉ Omar Elhadi Abdalraheem Ahmed; ✉ Victoria Bialorucki; ✉ Erika Chan ^

My contribution for this project:

Role: Database Engineer

Main Task: Worked with MySQL server

Testing: Helped test both the backend and frontend of the project

Database Management: Ensured all necessary data was correctly organized in the database

Data verification: Checked information on college sports and colleges in the database

I have only made 1 commits because most of the time I was working on database part and it's hard to track.
